

POLICE DEPARTMENT.

Circular No. 2240—118, dated 17th September 1875.

Bills for cart hire should in future be drawn in Contingent Abstract and charged in the "Detail Contingent" Bill, under Sub-head "Office Contingencies" agreeably to para 13 of the Comptroller General's Circular No. 175, dated 19th May 1874, to which attention is directed.

Circular Order No. 2268—121, dated 18th September 1875.

All Inspectors and Sub-Inspectors of Police of the Mysore Province will, without delay, provide themselves with Service Register books, and entries should be made in them and attested by District Officers or Police Assistants in the usual course.

Circular No. 2267—120, dated 18th September 1875.

The following instructions are issued for the correct filling in of the monthly *Crime* return.

2. Columns 6 and 7 of the Return should contain cases in which the Police have taken action during the month, whether in those reported during the month or in those that are before the Police at the close of the previous month.

3. All cases, not fully investigated and remaining, on the file of the Police at the end of the month will be shewn under columns 19 and 20.

4. The figures under columns 6 and 7 should not be included in the total sum under column 18, the heading of which should shew the total of the figures under columns 8 to 14 and 16 and 17.

5. The figures shewn in columns 8 to 14 will shew the details of disposal of all cases pending before the Magistracy from previous months as well as all cases sent up by the Police during the month for trial.

6. Columns 16 and 17 will shew the number of cases disposed of by Higher Court during the month, and column 23 will shew the number of cases that will be pending before the same Court at the close of the month. Thus, these three columns will give all the information required.

7. The figures shewn in column 15 should as a rule be omitted when the figures under columns 8 to 14 and 16 and 17 are added together to fill in column 18.

8. Care should be taken in filling in columns 9 to 14. For instance there may be one case involving 6 persons, of these 1 may have escaped, another discharged, a third otherwise released, one acquitted, and 2 convicted. Thus it will be seen that there is in fact only one case and a number of persons involved and variously disposed of. This should be noticed and care should be taken not to enter the same case over again in the several sub-headings "Cases." Should this be neglected, the total number of cases shewn under column 18 will be greatly exceeded and lead to confusion. In such cases an explanatory note should invariably be made in the remarks under column 33.

9. Again, as before supposed, 1 accused escaped, and though the other persons involved have been disposed of, the case should be considered as still to be disposed of till the escaped person is apprehended and brought to justice. The case should therefore be shewn in column 21 and an explanatory note being entered in column 33.

10. All cases investigated by the Police must be shewn in columns 6 and 7. Any case ordered by the Magistrate to be struck off as false should be shewn in column 8.

11. All cases pending before the Police, Magistracy and Higher Court at the close of the month will be shewn in the Return for the month succeeding in the appropriate columns 2 and 3 and never under 6 and 7, as the former have no connection with the latter.

12. In column 9 the word transferred means not only those cases that have been transferred to other Districts, but also those cases disposed of in the District and which are simply transferred from one Section of the L.P.C. to another.

13. For example a person may be charged by the Police with grievous hurt or robbery and the case is therefore shewn under that head in the return of the month. In the following month it is adjudicated and the prisoner convicted of mere assault or causing hurt.

14. Such cases will be transferred to the heads under which they have been finally disposed of.

15. In all such cases and also in cases when prisoners have died or escaped, an explanatory note should be given in column 33 against the line in which it is shewn.

"By Order,"
E. D. GOMPERTZ,
Dy. Inspector General of Police.
